### Race 1 - RAYNHAM TAUNTON - 550 Yards

**ATASCOCTIA CHIVE(6)** although in an unfavorable post position, looks like the favorite in this race. He is at the top of his game at this time. **ATASCOCITA JEB(3)** is probably the fastest greyhound in this race and if he gets clear early he would be nearly impossible to catch. **SMOOTH COSMO(1)** has been a force in both 550 stakes this year finishing 1st & 2nd in the finals, from the inside post position he's formidable. **ANGEL TERRI(8)** seems to like this post position & has proven many times this year she can race with anyone. **PJS PLAY ACTION (2)** is probably the biggest closer in the race, if close he will be tough. **PAT C CLEMENT(4)** has won this event twice in his career. He has a difficult post and getting the hat trick may prove difficult. **DOCTOR ROD(7)** could be a sleeper in this race. This greyhound has made a paycheck in 44 of his starts this year. **CAESAR'S GOLD (5)** is a steady money maker, will probably be a longshot but is a superfecta possibility.

### Race 2 - SANFORD ORLANDO - 550 Yards

**CL BLACK STAR (1)** - prefers the inside and should have room to run after the speed clears; will be flying in the stretch. **HANKS GRANNY (2)** - can break or close, but likes it wider, and may be compromised with all of the speed to her outside. **WAGON TOPPER (3)** - blazing speed; one of the best breakers at SOKC; will probably lead and hope to hold off the closers. **JIMBO CLYDE (4)** - also loves the front, and rarely loses when he leads early; hopes to win speed duel with 3; still dangerous if up close. **BELL CLAIRE (5)** - started in C but is in full bloom now; big speed here too, and usually goes on with it; winner of eight races out of her last ten. **FANCYMEETYOU (6)** - usually forwardly placed and has been in the quiniela in her last four races. **MOVIN BACK (7)** - used to come from the clouds, but has developed big frontstretch rush; winner of seven of his last eight, he is the one to beat here if he has a clean trip. **STARZ ALLIE (8)** - recent arrival from Raynham runs on the wide side, stretch runner will be aided by the current wide track bias.

### Race 3 - TWIN RIVER - 550 Yards

With dominating early speed **BALLYMAC FLIGHT\* (5)** is the one to beat in this race. Five wins in 6 races and 26 wins on the year, they are going to be hard pressed to take him down tonight. The DQ duo probably has the best shot. **LETHALCONVICTION (2)** should press the lead throughout and if he makes the front he could run away a hide too. **U ROCK MY WORLD (8)** moved back to 550 and didn't miss a beat. Closing late will be his calling card tonight. **SCOOBIE BLUE (3)** is a one hole specialist that is in the 3 box. If she can get to the rail without too much trouble she has a shot at a victory tonight too. **STREET CREDIT (1)** recently won 4 straight including one from this starting box. He is probably the best closer in this field and will coming in the stretch. **DANIA (7)** needs to be close early on, look at her last line, but if she is, she might just be the sleeper pick in this effort. **OUR SLADE (4)** and **VAN'S SLICKSTER (6)** are no slouches themselves. Under the right circumstances they could win this effort, but with some tough post they are going to have to work extra hard to get close in this effort.

### Race 4 - TRI-STATE RACING & GAMING - 550 Yards

From start to finish... it's anyone's race. A strong closer, **CRAGIE WINDICK (1)** should look to make his move coming into the final turn while holding the mid to inside pass. **KIOWA KAY KREBS (2)** could be called tonight's 'Dual Threat'. He is explosive from both the break & the final stretch and needs only clean air to come out on top. With a combination of a good break and a hard rush to the turn expect **MRL FORESTBURG (3)** to ride the inside rail and be a contender for the win. **SENDAHL MCQUEEN (4)** is competitive from start to finish and a well-rounded racer who is expected to try and find an opening down the mid-track lane. One of Tri-State's top dogs is **ABITA BELLARAY (5)** who has experience with the rest of this field and knows how to drive mid-race. **FLAT OUT PELTON (6)** recently out raced 71 other Greyhounds & missed winning a stakes championship by a head. Watch for Pelton to redeem himself if he can hold off the pack. With 29 consistent AA starts **RWC BIG EASY (7)** is quick off the break and fast to the turn. **TAPPED OUT TONY (8)** is on a roll. With one 2nd and four 1st place finishes Tony has the momentum to carry him to the top.

### Race 9 - PALM BEACH KENNEL CLUB - 545 Yards

Palm Beach Kennel Club's Night of Stars event features the track's top three season win leaders and this should be one the toughest races to handicap on the entire NOS program. The featured athlete is last March's St. Patrick's Invitational champ **BOHEMIAN DIONE (5)** (20-11-3-1-3) who has been on a tear as of late finishing in the Quiniela his last 11 starts, of which 9 of those have been in the win column. Most impressively, Dione will be going for his 50th career victory! Representing the early speed camp is Palm Beach's current season win leader **MRL GENERATION (8)** (26-13-3-3-0) who will be tough to catch if she gets the lead. Also vying for the early advantage will be **ATASCOCITA BENNY (3)** (11-4-2-0-1), who is coming off his fastest win of the season, multi-stake finalist and strong rail-running whiz kid **BI'S NO DOUBT (4)** (22-5-8-3-2), **HYPE (6)** (23-9-6-4-1), a finisher in the trifecta her last ten events and big first-turn rusher **MISTRESS MCKAYLA (7)** (14-5-2-3-1). Leading the late-speed brigade is the recent winner of 8 consecutive races **ATASCOCITA WADE (2)** (23-12-5-4-2) and the Greyhound who put an end to the streak, the hard-running **STRUTTIN MCFLY (1)** (21-7-6-2-2).

### Race 10 - DERBY LANE - 550 Yards

Lady luck could finally prevail for **LAMORGE STREAKER (7)** who is seeking a title in her fifth stakes attempt. With no speed around her **STREAKER** will rocket to the front. **FLYING HOME DEPOT (6)** who boasts 53 of 58-career money finishes is **STREAKER'S** biggest threat. The dual distance **DEPOT** was a runner-up in the Gold Trophy and Fall Sprint. Originating from Southland **SILVER CHESTNUT (4)** has had a couple of bad races, but could shake it off tonight, as he has been known to upset. Before coming to Derby Lane **KIOWA AK KIEFFER (3)** made his mark at Flagler with 31 wins and 50 of 53 money finishes. If **KIEFFER** gets the lead he might hold to win. Don't let **BACKWOOD HOMBRE (1)** stats fool you. The young gun is well posted and was a finalist in the Fall Sprint. **LAMORGE ACES UP (2)** has lit the board 13 of his last 14 starts. He needs to break close to the leaders to factor. **STARZ MING (5)** is the second female in the field. Despite the five box, **MING** has finished in the superfecta 10 of her last 11 starts. **M'S SWEET ETHAN (8)** could give the kennel a back to back NOS win. The underdog prefers an inside post and will pay big if he upsets this field.

### Race 11 - ORANGE PARK KENNEL CLUB - 550 Yards

All-American hopeful and NOS XX winner **KIOWA WISH FRANK (6)** (18-8-4-1-1) is looking to overcome some rough trips. He is the only stakes winner here and has won 1 from this post position. **CITATION CAM (2)** (7-2-2-0-1) is a speed burner that is extremely tough to run down once in the lead. With 4 wins in 5 starts, he could be the one to beat tonight. **FTH JIVE TALKER (8)** (20-15-3-1-1) draws his best box and that just might be enough to get him home a winner. This is his 3rd NOS race, he finished 2nd in NOS XVIII. **LA'S ANTHONY (7)** (9-4-3-1-1) might not have a ton of wins showing, but he does have a ton of heart. Dad gave him that and you can't count him out here. **GET READYTHUNDER (5)** (6-1-0-1-2) has the best raw speed of the bunch and if the mood suits him, he could dominate this field. **T DIZZLE (4)** (9-1-0-1-3) has been at the top of her game recently winning 4 of her last 5 efforts. She has good closing ability, watch out if she is close early. **FLYING KING (3)** (12-2-3-1-2) is no slouch with 3 wins in 5 starts and has a better post in this effort. **WHERE'S PLAYPEN (1)** (3-0-0-1-0) has taken well to the new racetrack with 18 money finishes in 23 races. She was also a finalist in the last stake.

### Race 12 - DAYTONA BEACH KENNEL CLUB - 550 Yards

**MADDY'S FLYER (1)** Nice youngster on her way to fame. Runs midtrack and won't give it up. **U'LL GETTOKNOWME (2)** She comes from off the pace. Will smoke you in the stretch racing outside. **JAWA PARIS (3)** She has been on a hot streak. Will run the rail and gives her all every start. **ASK CHAD (4)** What consistency, 50 percent in the quiniela. Runs midtrack and will be in the thick of it. **KIOWA SKY SIMMS (5)** Powerful widerunning dog, can beat you to the turn or come and get you. **ASK TANNER (6)** He's a battler from the word go. Runs inside and will be with the leaders. **LOVER'S VENDETTA (7)** Fighting her age but still gives a very good effort. Runs midtrack and can close. **LAST RED CENT (8)** This young star can be looked for on the front end. He has blistering speed on inside.

### Race 13 - WHEELING ISLAND - 678 Yards

This 3/8 field looks like a stake final, headed by **TK QUICK STRIKE (4)** -- the track win leader (27), track record holder (37.20) and All-American hopeful. He has won three out of his last four starts, including a 13 1/2-length victory in his last start. QUICK can STRIKE from any post. Youngster **KIOWA POWER PAK (1)**, the heir apparent to Quick Strike, is a powerful closer. He has an 8 1/2-length win from the rail in 37.26. Littermates **FLYING WHEELING (2)** and **FLYING WELLSBURG (6)** both can pop the box at times and each races stronger on the lead. Both prefer to break from inside posts which should benefit FLYING WHEELING. American Derby champ **MAGIC PENNY ANTE (5)** has speed but prefers an inside post position. **WW COCOA PEBBLES (3)**, **MOST NEEDED (7)** and **WW'S ELROY (8)** are solid Grade AA racers but are a cut below the others. Each needs the front early to be competitive and that may be a tough order.

### Race 14 - BIRMINGHAM - 550 Yards

**GUILTLESS DREAM(1)** is a Jacksonville shipper that has been winning regularly in recent weeks with a stalking inside style and an explosive stretch kick. **BOOTLEGGERS CLEM (2)** has 55 total wins recorded in 2007 and 2008. His game is a quick break and sizzling early rail rush. For pure winning ability and a remarkable performance record, it's hard to top the credentials of **KIOWA BOSTON PARK(3)**. With 22 wins in 36 starts, this rail runner will be money if he can get inside early on. **DENIM DAYS(4)** this Southland shipper has adjusted well and will try and close the gap in the latter stages with a mid-track charge. **PTL JOHN DOE(5)** transformed seemingly overnight into a top-flight star. He has finished in the money against outstanding competition in 20 of his last 26 races. **GOOD NEWS JACKIE(6)** must not be overlooked as she comes to race hard every start. She comes from off the pace and has posted in the money finishes in more than half of her outings. **CTW ACCOMPLICE(7)** is a brilliant rookie that has railbird's buzzing about the sheer talent. This is a major step up and much to ask of this inexperienced runner. With 4 wins in 7 career starts he won by a total of 33-lengths. **SENDAHL FOWLES(8)** will be the principal threat for early speed supremacy. With 28 wins this season this star epitomizes the front-or-nothing style.

### Race 15 - SOUTHLAND PARK - 703 Yards

Third round action of the "Festival of Stakes" and two of our best marathon runners take stage in tonight's fifteen race. Sitting in prime post position, **BACKWOOD JOE (1)** could be worth a try at a good price as he beat one of the favorites in this race two starts ago. **BRASKA CARTMAN (2)** should vie for the lead early and had the lead over a strong favorite last time out, only to get caught. **FLUPASCRAKERBOX (3)** is the obvious choice with a three race win streak over this distance winning by an average of just over seven lengths each. **BF DODGEM (4)** comes on late and tends to like his midtrack position. **WHAT MAKESUHAPPY (5)** has a strong distance resume and is 38 of 47, or 81% in the trifecta so far this season. **KB'S SHOTGUN SAM (6)** hasn't shown up yet during this stakes event and looks to play spoiler. Early threat **BUBBA JO CAPSER (7)** looks to be outmatched, but only missed by just over a length last time out. **BOB'S IKEA (8)** nearly pulled off an upset last time out, but lack of early foot may hamper her ability to do it again versus this field.

### Race 16 - TUCSON GREYHOUND PARK - 550 Yards

**RLM'S WANDA (1)** is a winner of 3 of her last 6 races and she always runs tough from the rail. If she gets away cleanly, she might have a shot to take home the win in this effort. **SLATEX BREAKAWAY (2)** won her last schooling race by 18! Wow! This greyhound is as fast as she wants to be & if she wants to run the race will be for place. **BELLA KINGNARMER (3)** is a steady runner that can break or come from off the pace to get up into contention. The post might be his only hurdle. **WW JUNGLE BALOO (4)** has the best speed of any greyhound in this race and might just see the early lead. Once in front he is tough to run down before the wire. **CLEVER MELO (5)** has back to back closing wins showing and tonight expect more of the same. No matter what happens from this post, he will be coming on late in this race. **RAMS JIM MONTANA (6)** is also a closer and will be doing his best to get back into contention late in this effort. If he does decide to break, he will factor with the winners at the wire. **POWER HOME (7)** the best closer in the field, he will be living up to his name in the stretch. With 3 wins in his last 4 starts, he should be the favorite. **BOC'S MARTINI (8)** has prevailed in back to back efforts and tonight is going for the 3-peat. She will need to come out running in this effort.
