Great chance to get in the race early. **TRULY JULIE(2)** Littermate of track record holder Jasmine Breeze has won 5 straight. Likes it wide, and will have to get into it early to keep her streak alive. **BELL CLAIRE(3)** 31 of 44 starts in the quiniela, with 20 wins. Runs on the wide side and must have clean trip through 1st turn. **YAHOO INFERNO(4)** Big closer has learned to break now, and she will pose a big threat if she can get to the rail. **TANGO POWER(5)** Missed pay sheet only once in 8 starts since arriving from Sarasota. Always close to the lead. **PFANNYS BULLRUN(6)** Won 3 in a row, and all the wins were easy. Major player if on the front uncontested. **D'BULLS SPANKY(7)** Has won 16 of 22 at current meet, and always gives a great effort. Has lost some box speed, though, and must get a clean trip. **HANKS STYLIN(8)** On fire of late, winning 6 straight, and draws nicely here. Will be tough to beat if she breaks to the front.

Race 2 - DAYTONA BEACH KENNEL CLUB - 550 Yards

AUTOMATIC COLT (1) Nice young dog with 12 wins, loves the rail and can go early or come and get you. **ROAR OF THE CAT (2)** Having won four of last five he's a hotty. Runs along the inside and always does his best. **KISS MY JUDGE (3)** This young girl also has tremendous early speed and should be right behind her sister along the rail in the early going. **CTW TRADING POST (4)** Very consistent of late and will give a good account of himself racing midtrack. **ON THE EDGE (5)** Young female has blistering early speed. She will lead the pack around the turn along the rail. **SANTA FE JAYHAWK (6)** Runs midtrack and always gives a good account of himself. He's most consistent and must avoid trouble. **FLYING MINION (7)** Up and coming future star back to back grade A wins gives him a shot at the big guns. He loves the inside route. **AFRIENDOFAFRIEND (8)** Needs to find running room down the backside. Big powerful closer rolling midtrack to the finishline.

Race 3 - TWIN RIVER - 550 Yards

MW'S BRISCO(1) is a strong closing threat that can break on occasion too. The rail will just help his effort tonight. **U ROCK MY WORLD(2)** is the best closer of the bunch and should provide another interesting finish. If he is too close too soon, bombs away! **CAROLINA FLAIR (3)** is a top notch competitor that can hang with anyone on the circuit. A clear run to the turn would help her out tonight. **CARHEW JAKE (4)** might be the best breaker in the field. He will need as much as he can steal early against this talented field. **DUBLIN AIDAN(5)** will have to overcome the post to contend tonight, but with his late kick he could spring a surprise. **ROSSMORE PLAYBOY(6)** almost waits too long to make a move. He will be playing catch up throughout in this race tonight. **SUPER C ARIAS(7)** is the recent winner of the Marchione Sprint Stakes. Back outside again tonight in this effort, expect him to return to his previous dominate form. **DUBLIN DESMOND (8)** is running tough with 4 wins in 6 races. For him it's all about the break. If he makes the lead, it might be able to steal away another one tonight.

Race 4 - WONDERLAND - 550 Yards

With an even split of high early speed and good late speed, this is a tough race to call. All wagers should turn early to **NITE FIRE NITRO (6)**. The big, black male is currently tied for the win lead but will have to contend with **JD FLYING HARVIC (8)** who breaks well and heads right to the rail. **JJ'S MAKE ME POP (3)** has good early speed, heads straight out and is difficult to catch when given the lead. Wild card factor: **WORLDWIN (2)** who can break fast and also close. The main late challenge should come from **HITCHENS (5)**. Charts don't always tell the story and his last run was spent looking for running room. Tough post for **FLYING JULIUS (1)** much better from the outside but could benefit from early trouble. **DUBLIN BRADEN (7)** is always close and has the outside that he needs. **STARDUST DANCE (4)** drew a bad post and needs a return to her early form to factor here.

Race 5 - BLUFFS RUN GREYHOUND PARK - 679 Yards

The Finals of the \$60,000 3/8 Mile Derby. **HL'S BRUCE (1)** is the 1st of 3 entries for the Legg Kennel, LLC. Remained very consistent through the qualifying races and should do well here. **KL'S RAYMOND (2)** ran a big race out of the number 2 post position in the semi's and getting out early won't hurt anything. **BARTS FIXEDASSET (3)** must break near the front to have a chance. Any traffic could cause him trouble. **NMS UNDERDAWG (4)** will need to be close coming around the final turn and heading for home to finish in the top 4. **SHININGBRIGHTLY (5)** should be the favorite by winning every qualifying round. A good break and this greyhound will be the one to catch. **GETIT GOTIT GOOD (6)** had an unfortunate semi-final race. This is another greyhound that needs to be near the front to finish in the money. **ASKONCE (7)** has back to back wins in the quarters and semi's. This is one greyhound that can avoid the early breakers and still make a run at the wire. **BARTS ENCORE (8)** is a greyhound that is always in the mix, finishing 29 times in the money out of 33 starts. Just don't know if he'll have enough to take home the grand prize.

Race 6 - NAPLES - FT MYERS - 550 Yards

MAGIG INCREDIBLE(1) will try to use his tactical speed from the rail to take this field box to wire. **BOC'S WILDRIDE (2)** will need some racing luck tonight to use her late speed to factor here. **BARTS LONERANGER(3)** likes to force the pace on the inside and will find out who is up to the challenge. **TMC'S FANTASIA(4)** is gonna be using her wisdom to surf this field. **S TARZ MEREDITH(5)** is going to be gunning for the leaders. **FLYING VAN GOGH(6)** will need a little racing room to factor. **ATASCOCITA TIM(7)** is in his prime and could set off early fireworks with a clear run to the turn he should be the one to catch. **PAT C BIZARRE J(8)** will benefit from a great post draw if his rival to the left isn't ready to go he could steal the Night of Stars XXII.

Race 7 - DAIRYLAND - 677 Yards

She loves the inside and will look to get out early. **LIGHTNINGMCQUEEN (4)** is the other elder statesmen of this field. He rarely disappoints, collecting a purse check eighty five percent of the time. His recent form is most impressive. **FLYING LUCCI (3)** will be flying late and will try to give owner Vince Berland another stakes trophy. **SHAKEY GEARS (6)** rarely is denied a shot at the money and has one of the best winning times over the distance. **SLIP PAST (5)** has been living up to her namesake and finding a way to get into the photo at the wire. **RUSTY DIPPER (7)** looks improve off his last performance and give trainer John Sappington another stakes blanket. **KP DAUGHTRY (8)** looks to pop the box early in an effort to overcome his outside postposition. **ANIMATED (1)** will try to avoid early race congestion and capitalize on his favorable inside post position.

Race 8 - TRI-STATE RACING & GAMING - 550 Yards

Racing fans buckle up; this field is jam-packed with early speed with a few closers under the radar. **DD's DOUBLEDAY(3)** has won 15 of 23 races this year, with a quick break & solid closing speed. He'll be contested by **BLAZE N TODDIE(7)** who boasts 8 straight victories, with solid stretch speed and bullet style breaks. **PYRO(8)** has won 5 of 7 starts; his closing ability may be the difference. **EF SHELLY(2)** is another one looking for the early lead, her early speed & love of the rail may be the difference. If **RWC RAIN STORM(5)** breaks out front early it won't be an easy task for the field to make up the ground. **EASI MURPHY(4)** sits on the fastest time in the field of 30.06 and will look to make his move late. It sets up well for him to take this race in the stretch. **CHANEL WV(6)** hasn't run this distance since 3/14 but don't be fooled, with a personal best of 30.14 she'll be a threat in the end. **TNJ RADAR(1)** has been top 3 of 7 starts. His ability to close might give electrifying conclusion to the 8th race in this years NOS.

Race 9 - PALM BEACH KENNEL CLUB - 545 Yards

More than likely, Greyhound racing fans across the country will make **YAHOO OLIVER (7)** (26-15-4-1-1) the post time favorite. He will be going for his fourth consecutive victory, he has 4 of the 7 fastest Royal Palm Course times from last season (29.25, 29.27, 29.35 & 29.39) and flat out, he is just one tough cookie to beat to the first turn....and with this awesome compilation of talent, that could happen.

ATASCOCITA BONNY (5) (61-19-9-8) is also going for her 4th consecutive win and could very well be right there with Oliver vying for that all-important lead. **STYLISH TRUDY (1)** (38-14-11-2-3) is looking quite tempting wearing the red blanket, and it's going to be tough keeping her out of the trifecta. Greyhounds appearing to make up the second-wave of athletes to the first turn include the impressive youngster **QUEEN OF SHEBA (2)** (27-8-2-6-4), the always consistent **SEA TO SEE (4)** (70-15-13-10-6), the powerful rail-running first-turn rusher **RAZOR SHARP (6)** (29-12-7-7-1) and the sister to Yahoo Oliver **YAHOO OMEGA (8)** (26-8-6-2-2). Now every big race needs a big finisher, and we have one of best in **ATASCOCITA ANIKA (3)** (20-6-8-1-2), a competitor who gives 100% each and every time she takes to the racing oval.

Race 10 - DERBY LANE - 660 Yards

It takes a powerful athlete to score a win over Derby Lane's 660-yard course. That is what fan's saw when **WW'S DEATHVALLEY (7)** built momentum that took her from 4th in the backstretch to a four-length Derby upset last week. Ditto for **ASK THE UMPIRE (1)** who came from far back to win the Consolation. He will need it tonight from a tough post draw. **ITS QUILLAN (3)** competed in 15 consecutive stakes rounds at 2 different tracks this year. She was the runner-up in the Distance Classic and will be a favorite. **M'S MORGAN (5)** is another speedster also classified as a stayer. She can seal the deal from any post. Lately, **BACKWOOD NAN (6)** has been jockeying the 550 and 660-yard distances in stakes finals. The Juvenile runner-up was also the Derby favorite. **HI NOON HYPNOTIC (4)** is unfavorably posted. The box-breakers on both sides of her could be enough to shut her out early. **FLYING MAGELLAN (2)** took the lead in last week's Consolation only to have it taken back at the wire. Only 2 wins since arriving from Wheeling, but has been a super in 9 of his 13 starts. **SILVER MAGNET (8)** is competing in her first top grade race. She is outclassed, but does perform from an outside post.

Race 11 - ORANGE PARK KENNEL CLUB - 550 Yards

The 2009 JGR Puppy Stakes winner **FTH KEYSTONE COP (5)**(2/2-0-0-0) is an all out early speed artist and despite his age, he is the only stakes winner in the field. **LA'S ANTHONY(8)**(13/7-3-0-1) has been great as of late and this rail runner can get things done from the outside too. If he makes the front, watch out! No greyhound is hotter than **PRU WHISTLER(1)**(10/5-2-2-1) tonight. With 5 wins in a row and 10 in 11 starts, he should probably be the favorite, but being too far behind early might do him in. Coming into her own is **RS LIBBY LU(2)**(6/3-1-0-2). Loads of early speed and determination, Libby finished 2nd in the Puppy Stakes. **KIOWA KAY WILBUR(3)**(4/1-1-2-0) has stepped up his game of late. With a pair of wins in a row and 3 in 4 starts, this ankle burner might be upset minded. **CITATION CAM(4)**(23/3-6-2-3) is the only returning NOS competitor. She finished 2nd in NOS XXI and if the mood suits him, he could wire everyone. **GS DALLAS(7)**(13/4-3-1-2) is all about begin close early on. He will need a big break tonight if he wants to be in the hunt at the wire. **LK SWEETUMS(6)**(19/3-2-1-1) is better than her lines show. Over the last month or so she has really emerged and could be the sleeper in this field.

Race 12 - WHEELING ISLAND RACETRACK - 678 Yards

The Night of Stars field for Wheeling shapes up as a wide open race if **TK QUICK STRIKE(6)** experiences early trouble as he has encountered in his last two trips. He won last year's NOS and repeated in this year's Mountaineer Classic from the six hole, so the chances are good he'll once again rise to the occasion in the national spotlight. Two to watch are **MIRANDA (1)**, who ran a strong third in the Mountaineer Classic, and young gun **TJ'S INVISIBLE (7)**, who has several impressive races on his resume. Both **KIOWA VASQUEZ (2)** and **VAGUELY NOBLE (3)** prefer inside posts while the midtrack-running **FLYING GERSHWIN (8)** has been a steady finisher. **GABLE JERSY (4)** and **BOHEMIAN TUPELO (5)** both have top grade victories and show some early foot, but will need to be in the hunt early to be successful.

Race

Race 13 - GULF GREYHOUND PARK - 550 Yards

DLT EL MATADOR (1) is one of GGP's all time best sprinters and the experience makes him one of the favorites. **ATASCOCITA LUCAS (2)** has suddenly found his best stride winning three races in a row in front running fashion. **C YA FUZZY NAVEL (3)** finished 2nd in the \$20,000 Texas Round-Up earlier this year and can pop out to steal the top prize. **I DONT REMEMBER (4)** is GGP's active win leader looking to rebound tonight by flashing early speed and wiring the field. **ATASCOCITA SEAN (5)** has quickly shown that he belongs with the top grade elite and will be in the hunt again. **KB'S MEANMACHINE (6)** has the potential to go box to wire and can't be overlooked. **MISS KATARA (7)** has never missed the paysheet and her box speed will be a force to be reckoned with. **GABLE PICKLE (8)** is a longshot continuing to improve and her late speed should factor in the stretch.

Race 14 - BIRMINGHAM - 550 Yards

USS COOL CHASE (1) one of several rising stars in this race. Strong rushing style and versatility to go to the lead or stalk and close. **CTW LEGALLYBLOND (2)** smoking hot coming in to this. Tends to push wide for explosive early rush. Pours it on if allowed the front. **PJ'S PAUL (3)** dynamic youngster climbed right up the ladder. Hugs the rail and shows bursts of speed on the straightaways. **KIOWA AIRMAN (4)** his game is early speed. A quick jump and open rushing lane is essential against these. Must steal the front. **WHYTELL NEVAEH (5)** veteran star has been very consistent. Prefers to hustle to the lead, grab the rail and set the pace. Can rundown a tiring leader from just off the front. **JR'S DILLY DALLY (6)** scintillating in her last start..scorching the track in a blazing 30.07 just missing a 9-year standing track record. Talent not in question can she get loose early. **SILVER PEACH (7)** another dominating talent that has flourished since coming up from Miami. Won't mind outside draw...can break or close. **FUZZ FACE DIME (8)** solid veteran who could smartly utilize this post in the event all the speed to the inside jams. Will need to stay close early and clear in the top half to have a shot.

Race 15 - SOUTHLAND GAMING & RACING - 583 Yards

A special "hot box" awaits you tonight as late speed specialist **FALKLAND (1)** tries to make it four straight wins tonight with a preferred starting spot. **DUTCH PORTER (2)** nearly won his last start from a similar post position and tends to break more alertly from the inside. **ELITIST (3)** is the best breaker in this group tonight and should lead the charge into the first turn. **REWARD TRENT (4)** has not missed the trifecta since transferring in from Derby Lane where he amassed 33 wins against solid competition. **ANGRY (5)** will meet "AA" competition for the first time in a shaky post position, but has good rushing speed. **CT BUCK WILD (6)** has the most wins at Southland of the group with twenty-one, and boasts four wins in her last six starts against top grade competition. **KT'S THURLES (7)** loves the rail and is out of position so a great start is a must. **FLYING AERONAUT (8)** makes her "AA" debut tonight coming off a victory and is 75% in the trifecta in her twelve lifetime starts.

Race 16 - TUCSON - 550 Yards

RD'S KEN (1) is a big time closer that looks to be trying to play the spoiler card in this one, especially from the rail post position. **CDC SURE BET (2)** doesn't hit full speed until the stretch and this cagey veteran will have them all paying attention to the rear view late in this race. **FLYING MCPHEE (3)** is also a closer and shows a couple of strong efforts from this post in her last 6 races. With a little help early, she should factor again late. **CLEVER RUN (4)** might not have any wins showing, but don't let that fool you. She can hang and will throughout again in this effort. **MC MAGNUM (5)** is the early speed in this equation and if he can steal enough early, they all will be running for next best at the finish line. **DS BACKJACK (6)** is a strong rusher that will need room to run early in order to be effective. If he is close early, he should be around for the duration. **WW GALE PERSIAN (7)** is coming off a rest and looks none the worse for wear. Big time speed is on tap and if he gets loose, watch out! **BOC'S MARTINI (8)** is the one to beat here. With 3 wins in a row and 4 in 5 starts, the title looks to be almost in his hands.

Race 17 - PHOENIX PARK - 550 Yards

This race is a speed battle that will probably be decided early. Although **SAVVY SESSION (7)** recently won our Arizona Breeder's Cup stake the one to beat may be win leader **CARRIE WALSH (1)** and the perfectly boxed **KIOWA MON MELVIN (8)**. Carrie draws inside two high speed midtrack greyhounds, and because she's all rail and tough on the front end, she merits lots of respect tonight. **SAVVY SESSION (7)** is a rail slasher that bolts from the box, and this inside-seeking move should give Mon Melvin tons of room to get in gear early. **BELLA WILDWONDER (5)** is an uncatchable greyhound with explosive speed but may be caught in traffic early. **GALLORETTE (6)** just missed in the AZ Breeder's Cup, and is dangerous from off the pace. **CONCHO XANADU (2)** is a very consistent sprinter who may shake things up early. **BW'S BROADWAY (3)** is a former Night Of Stars feature winner, but she's in a terrible spot tonight. **KOYOTE NOAH (4)** was red hot earlier in the season but is trying to regain top form returning from a layoff.
